

January 29, 1975

PRESIDENT: Is there any discussion on the motion? The question is shall LB 59 be advanced to E & R final as amended. All in favor signify by saying aye. Contrary. It is so advanced.

SENATOR DWORAK: Mr. President, I move the adoption of the amendment to LB 7.

PRESIDENT: There is a motion to adopt the amendment to LB 7. Is there any discussion? The question is shall LB 7 be amended. All in favor signify by saying aye. Contrary. It is--it is so amended. Senator Dworak.

SENATOR DWORAK: Mr. President, I move--

CLERK: Do you have another amendment, Larry. No.

SENATOR DWORAK: Mr. President, I move that LB 7 be advanced to E & R for engrossing.

PRESIDENT: Thank you. Senator Stoney.

SENATOR STONEY: Mr. President, members of the Legislature, is there a motion at the present time pending on this particular amendment. Do you have one.

CLERK: There are no motions on the E & R amendment but the bill was replaced on Select File by the E & R Committee and when that's done the other motions can't be considered until its readvanced.

SENATOR STONEY: Will there be an opportunity for there to be a public hearing on this particular item.

CLERK: We have a motion to refer the bill to public hearing but before it can be brought up it has to be advanced.

SENATOR STONEY: Thank you.

PRESIDENT: The motion is shall LB 7 as amended be advanced to E & R. Any discussion. All those in favor signify by voting aye. Contrary. LB 7 as amended is so advanced.

CLERK: OK. Now, Mr. President, I move that LB 7 be returned to the Reference Committee so that it may be referred to a committee for public hearing. Signed Senator Lewis (R).

PRESIDENT: Any discussion of this amendment--or this motion? It's a machine vote. Senator Stoney, for what purpose--the chair recognizes Senator Stoney.

SENATOR STONEY: Mr. President, members of the Legislature, I rise to support such a motion. A great deal of work was put into the legislation that was passed last year dealing with this particular item and I think that we should be allowed a public hearing prior to adopting such an amendment which I think would immeasurably alter what was accomplished through legislation last year. So I do support Senator Lewis' motion that this be moved to public hearing.

PRESIDENT: Is there any other discussion? The question is shall LB 7 be referred for the purpose of public hearing. Record your vote. Have you voted? Record, Mr. Clerk.

CLERK: 31 ayes, 3 nays, Mr. President.
